

# Responsible AI for Youth

## OUR PENDRIVE COURSES

### SSC & BANK COURSES

- All Govt Exams
- SSC & Bank Combo
- SSC Exams
- Bank Exams
- Bank SO - IT Officer
- SSC CGL - AAO

### UPSC OPTIONAL

- UPSC - Geography
- UPSC - Psychology
- UPSC - Philosophy
- UPSC - Sociology

### SSC JE COURSES

- Civil (Tech + Non-Tech)
- Electrical (Tech + Non-Tech)
- Mechanical (Tech + Non-Tech)
- Civil (Tech)
- Electrical (Tech)
- Mechanical (Tech)

### TEACHING

- CTET Exams
- DSSSB/KVS

### RAILWAY COURSES

- RRB (Non-Tech)
- Asst Loco Pilot - Electrical
- Asst. Loco Pilot - Electronics & Comm.

### DEFENCE EXAMS

- All Defence
- CAPF (A.C.)
- CDS Exam
- AFCAT
- NDA EXAM
- SSB Exams

### RBI GRADE - B

- RBI Grade -B

### NABARD

- Nabard Grade - A

### UGC NET

- UGC NET - Paper I
- UGC NET - English (Paper II)
- UGC NET - Hindi (Paper -II)
- UGC NET - Maths (Paper -II)

### UPSC/IAS COURSES

- UPSC
- History GS
- Geography GS
- Polity GS
- UPSC CSAT
- International Relations
- Science & Technology
- Ecology & Env
- Economics

### LAW EXAMS

- CLAT Exams

- Recently, the government has launched a National Program for the youth namely, 'Responsible Artificial Intelligence (AI) for Youth'.
- The government has also launched India's National Artificial Intelligence Portal called [www.ai.gov.in](http://www.ai.gov.in).

# Artificial Intelligence

- Action of machines accomplishing tasks that have historically required human intelligence.
- It includes technologies like machine learning, pattern recognition, big data, neural networks, self algorithms etc.

# National Artificial Intelligence Portal

- Jointly developed by the Ministry of Electronics and Information Technology and National Association of Software and Services Companies (NASSCOM).
- It will work as a one stop digital platform for sharing of resources such as articles, startups, investment funds in AI, resources, companies and educational institutions related to AI in India.

- It will also share documents, case studies, research reports etc.
- It also has a section about learning and new job roles related to AI.

# Responsible AI for Youth Programme

- Aims:
- To reach out to students from Government schools pan India and provide them with an opportunity to become part of the **skilled workforce** in an inclusive manner.
- It aims to help **reduce the skill gap**, while enabling youth to create meaningful social impact solutions.
- It also intends to provide a platform for relevant **AI skill-sets** and access to required AI tool-sets to make youth digitally ready for the future.

- The Program has been created and launched by the Ministry of Electronics & IT in collaboration with Intel India, with support from the Ministry of Human Resource Development.
- The National Programme is open to students of classes 8-12 from Central and State government-run schools (including KVS, NVS, JNV) from across the country.

- The Program will be implemented in a phase-wise manner and in its first phase, each State will nominate 10 teachers as per the eligibility criteria.
- These teachers will be provided sessions aimed to help them understand the premise and identify 25-50 potential students for the Program.

- The identified students will attend online training sessions on AI and will learn to identify social impact projects that may be created using AI.
- Further, top 20 innovative projects will be selected by an independent committee of experts and provided opportunities to showcase at relevant platforms.

# BENEFITA

- Develop the base for Artificial Intelligence in the country.
- Inclusion and empowerment of human beings by supplementing growth and development specifically in the field of education, agriculture, healthcare, e-commerce, finance, telecommunications, etc.
- Find innovative long term solutions which will help to reduce the existing digital gap in the country.
