

HAPPY RAMNAVMI

There are many aspects of life and everyone has different personality which is shining in them.

In other words in every aspects a person takes a new birth.

On the occasion of Ramnavmi let us see

the five stages of life of Shree Ram and let us hear his message and enjoy it.

(1)Son- Hearing the words of Kaikeyi, Dashrath got tensed and when he went to Shree Ram's cell, Shree Ram immediately stood with respect. He goes abreast with him. He grabbed his hand and

took him respectfully to
his seat. He requests
him to take seat and
respectfully bow him.

Wait a minute, have we
ever try to self
introspect? When our
parents are standing
then are we seating or
standing? If they are
seating on the floor,
then are we seating on
the floor or on the sofa?

Shree Ram always bows
to his parents and treat
them respectfully.
Latest, when did we
bowed to our parent?

Well coming back to
the story, the King
Dashrath talks about
Bharat for the throne.
With hesitation King
Dashrath ask him, "Son
you are elder one, you
have right to take the

throne. Should I give
the throne to Bharat? ”
Before completing
these words, tears
started flowing from
Shree Ram's eyes.
Before King Dashrath
gets confused, Shree
Ram tells "Father! I am
your son then why are
you asking me this
question. Why only
Bharat? In this Ayodhya

if you give right to any
citizen to take the
throne then for them I
don't have any right to
say yes or no. I am your
servant, and servant's
right is to only follow
the orders. I think my
service and my way of
treating you is not
satisfactory that's why
you are taking my
permission. This sorrow

is giving pain in my
heart “.

Please come back, the
parents who gave us
birth, the difficulty they
have faced and
tolerated to cherish us,
the education they
provided, money they
spent for our demands
and on education. Is it
necessary for the
parents to ask us about

the sharing of their
properties or different
expenses they spent?
And if they ask then
isn't it the shame for us?
And in that also if we
oppose them then we
are in which category?

Shree Ram tells- I am
god of temple, than
your parents who live
in your house are god
of your house. If you

make the god of the
house sad than if you
pray or if you worship
me number of times I
will not be happy.

(2)Brother - Shree Ram
was ideal brother. The
brotherhood feeling
that he had for
Lakshman, that same
feeling he had for
Bharat. Bharat's
coronation was

delightful for Kaikeyi
was also as delightful
for Shree Ram. In
Brother's happiness the
one who feels his own
happiness and in his
sadness who feels his
own sadness is real
brother.

Let us return to
ourselves, the share
which we get, did we
ever thought to give

some part of share to
our brother? If
brother's business is
better than us are we
feeling happy for him?

Shree Ram says, you
should have
brotherhood's feeling
for every soul on the
earth. At least begin
with your brother to
have that feeling!!!

(3)Husband- To stop the war negotiations were going on at that time Ravan gave offer to Shree Ram that " my three thousand beautiful queen + my half kingdom, but Sita would be mine ". Such a greedy offer! And Shree Ram just cancels all that deal for her Sita.

“I don't want anything,
I want my wife Sita”.

Just think, at the time
of marriage the bond
and faith you took in
witness of fire for that
relation how much do
we care? Except our
own wife, for every
lady in the world if we
see them as our sister,
mother or daughter
then only we are true

husband otherwise we are betrayers. Do we realize about this reality? Modern day's media are showing us shameless scenes and making us to fall in category of betrayer. Do we realize about that? If people are going on wrong track it's our duty to choose right track.

(4)Friend- When Sugriv came to Shree Ram for help, Shree Ram himself was in trouble. There was no whereabouts of Sita. Due to crying his eyes got swollen. His mind became empty. Then also Shree Ram doesn't say no to him. In his own grief he is ready to help others. Tree itself

is in sun and giving shade to others. It is this kind of phenomenon.

The friendship which is limited to party and picnic, the friendship in which devotion and importance is less, only formality is more in real sense they aren't friends. Let us ask a question to ourselves

“Am I someone's true friend?”

(5)Enemy-With Shree Ram's chakra Ravan fell down on battleground.

Shree Ram's whole troop was celebrating victory happily, at that time Lakshman saw his brother and he was astonished and asks "Brother, what is this?

Why is there tear in
your eyes? He is your
enemy and he has
given you a lot of
sorrow in your life”.

With a cheerful tone
Shree Ram says
"Lakshman! Sita's
kidnapping was only a
mistake committed by
Ravan otherwise Ravan
had good qualities.
Today with Ravan's

leave, a good person is
leaving the world,
that's why I am crying “.

Lakshman went to
Ravan who is taking his
last breath he tells him
"Ravan! We didn't spoil
anything of you, but
you did not left
anything to spoil our
lives. My brother who
has felt the pain of
separation of Sita that I

have seen with my own
eyes. Ravan today you
are dying so I am happy,
Sugriv , hanuman all
are happy but on your
death my brother Shree
Ram is crying ",
listening this Ravan
told," Lakshman! That's
why world believes him
as god".
